E-Reference in the Duke Divinity School Library

What's a QR code?

A "quick response" code is a barcode that can be read by a camera phone using a QR code reader. There are several free QR code readers available for Apple and Android devices. Recommended *free* QR Code Readers for Apple and Android devices:

⇒ **Scan (Scan, Inc.)**
⇒ **QR Code Simple**

The QR codes in the reference collection will take you to the online equivalent of the print resource. You can also use the urls provided to access the online resources.

Note: access to the majority of these resources is restricted to Duke users. You will be prompted for your Netid and password.
